Your Advocate, Your Ally

At Hamad Alsayegh Advocates and Legal Consultants, your challenges are our mission, and together, we will

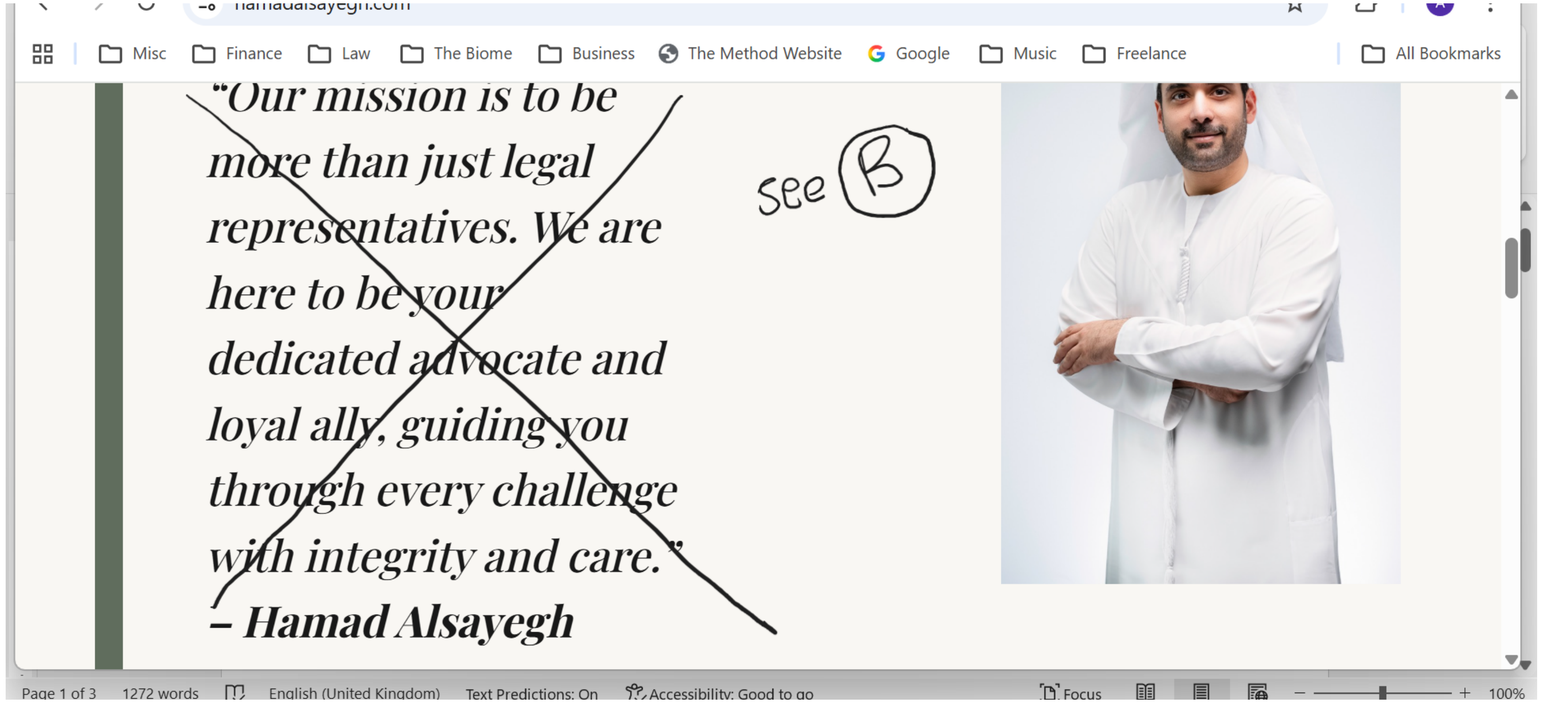

WORDING CHANGE TO -

Trusted Counsel for Complex Matters

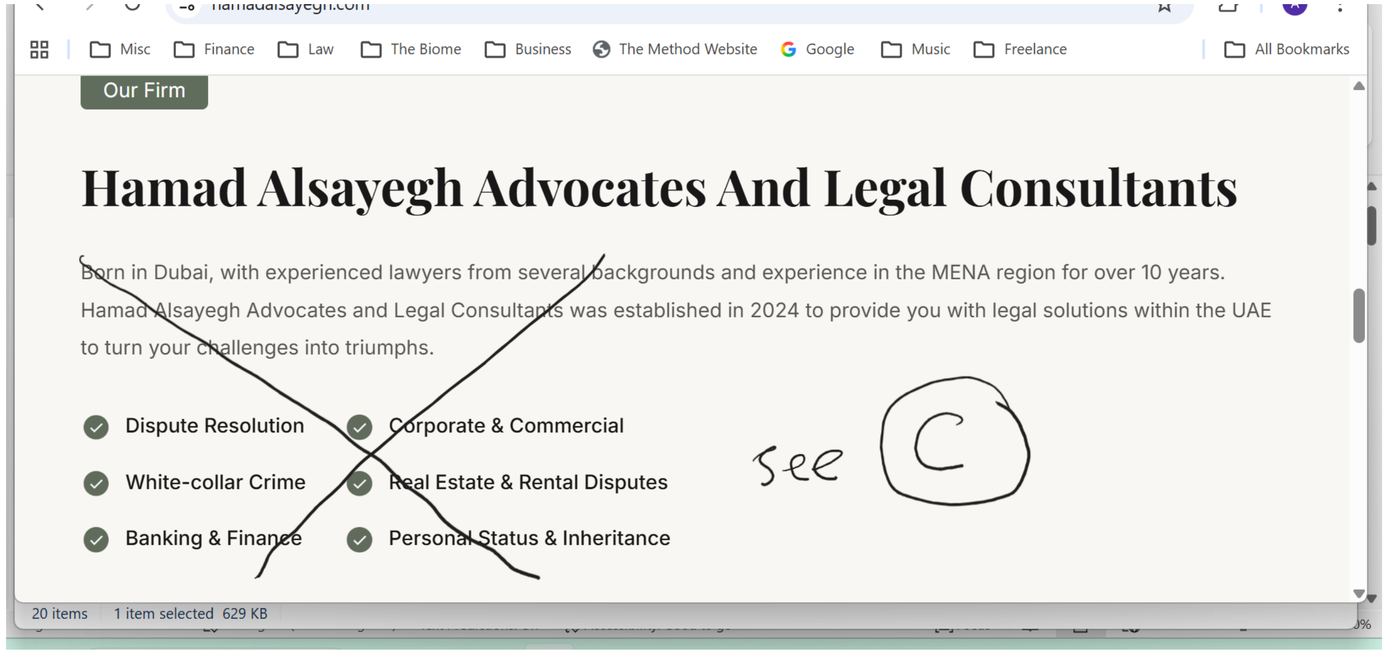

Hamad Alsayegh Advocates & Legal Consultants is a Dubai based boutique law firm advising clients across the United Arab Emirates on civil and criminal litigation, corporate and commercial matters, and healthcare and life sciences matters. We combine strong local court capability with commercially focused advisory experience and a practical understanding of regulated sectors, enabling us to deliver clear, strategically grounded legal advice with a focus on effective execution and practical outcomes.

WORDING CHANGE TO -

"We are committed to providing clients with clear, commercially informed legal advice and effective representation. Our focus is on sound judgment, practical solutions and disciplined execution."

– Hamad Alsayegh

WORDING CHANGE TO -

Our Firm

Hamad Alsayegh Advocates & Legal Consultants is a Dubai based boutique law firm advising clients across the United Arab Emirates. The firm is built around three principal practice areas: litigation, corporate and commercial, and healthcare and life sciences.

The firm combines strong local court capability in civil and criminal matters with commercially focused advisory and transactional support, enabling it to act on both contentious matters and strategic business issues. It advises corporates, financial institutions, developers, contractors, investors, healthcare businesses and private clients on matters that are often legally complex, commercially significant or operationally sensitive.

The firm’s focus is on delivering clear, practical and effective legal advice, with a strong emphasis on responsiveness, sound judgment and commercially workable solutions.

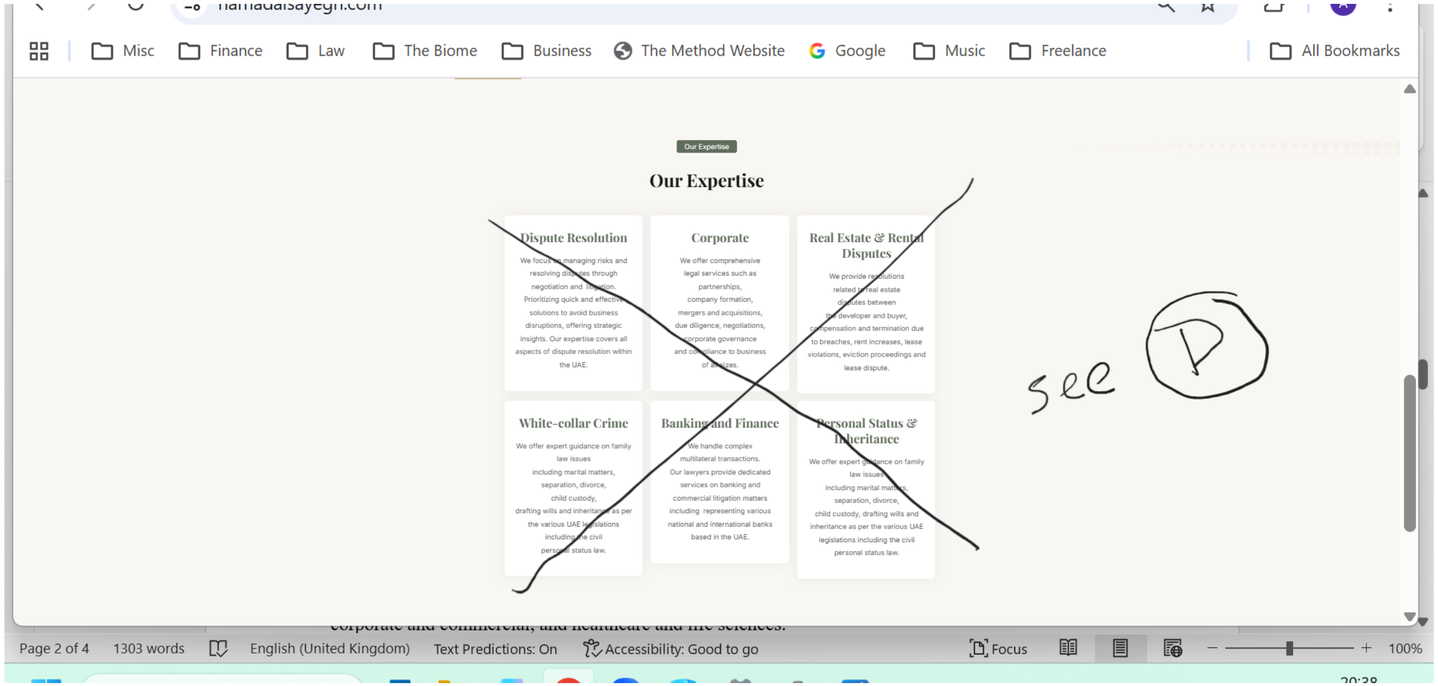

Our People

Hamad Alsayegh is the Managing Partner of Hamad Alsayegh Advocates & Legal Consultants. He represents multinational corporations, financial institutions, developers, contractors and private clients in complex criminal, civil and commercial disputes across the UAE. Hamad has rights of audience before the local and Federal courts of the UAE and appears at all levels of the court system, including the Courts of First Instance, the Courts of Appeal and the Court of Cassation. His practice includes white collar crime, breach of trust, cybercrime, fraud investigations and significant commercial and civil disputes. He advises clients on dispute strategy, risk management and formal proceedings, with a focus on achieving effective outcomes in legally and commercially sensitive matters. Before establishing the firm, Hamad practised with Baker McKenzie, Habib Al Mulla and Partners, and Ahmad Bin Hezeem & Associates. He combines substantial advocacy experience with a practical understanding of the commercial, regulatory and reputational considerations that often arise in legally and commercially sensitive disputes.

Taher Sharif is the Chief Operating Officer of Hamad Alsayegh Advocates & Legal Consultants. He has more than 18 years of experience across the governmental and private sectors, including senior administrative positions with leading businesses. Taher is responsible for the firm's operational and administrative functions and brings extensive experience in governmental procedures, commercial services and business operations.

Ameen Rashid is a Partner in the Dubai office of Hamad Alsayegh Advocates & Legal Consultants, where he leads the firm's corporate and commercial practice. He advises corporates, private investors, founders and family offices on a broad range of corporate and commercial matters, including mergers and acquisitions, joint ventures, strategic commercial contracts, restructurings, governance and complex advisory matters. He brings more than 26 years of experience in the UAE and the wider region, including senior in-house legal leadership roles as General Counsel of Dubai Multi Commodities Centre, Legal Director for Abbott Laboratories across the Middle East, Turkey, Africa and Pakistan and General Counsel of the Healthcare Division of YAS Holding. Drawing on his in-house and private practice experience, he advises clients on legally complex and commercially significant matters with a focus on practical execution, risk allocation and strategic decision making.

Mahmoud Hammad is Legal Counsel at Hamad Alsayegh Advocates & Legal Consultants. He has more than 12 years of experience in the UAE and advises clients on a broad range of legal matters, including real estate, rental disputes, contracting and employment matters.

Our Expertise

Hamad Alsayegh Advocates & Legal Consultants advises clients across the United Arab Emirates on disputes, corporate and commercial matters, and healthcare and life sciences issues. The firm's practice is centred on civil and criminal litigation, corporate and commercial advisory and transactional work, and legal support for businesses operating in the healthcare and life sciences sector.

Its lawyers combine local court capability, commercial judgment and sector understanding, enabling the firm to support clients on contentious matters, strategic transactions, regulatory issues and day to day legal risk.

Dispute Resolution - We advise clients on civil and criminal disputes across the UAE, from early-stage strategy and negotiated resolution through to litigation, enforcement and related proceedings. Our practice includes commercial disputes, white collar matters, breach of trust, fraud, cybercrime and other contentious matters requiring careful handling, strong advocacy and practical judgment.

Corporate / Commercial - We advise clients across the UAE on a wide range of corporate and commercial matters, including mergers and acquisitions, joint ventures, strategic commercial contracts, corporate structuring, governance, compliance and general advisory work. Our practice spans day to day legal support, significant transactions and business critical projects, with a focus on practical, commercially informed advice.

Healthcare & Life Sciences - We advise healthcare and life sciences businesses on a broad range of legal and regulatory matters across the UAE. Our work includes commercial contracts, regulatory and compliance issues, structuring, strategic advisory work and sector specific risk management. We support clients operating in healthcare delivery, pharmaceuticals, medical products and related sectors on matters that are often commercially significant and highly regulated.

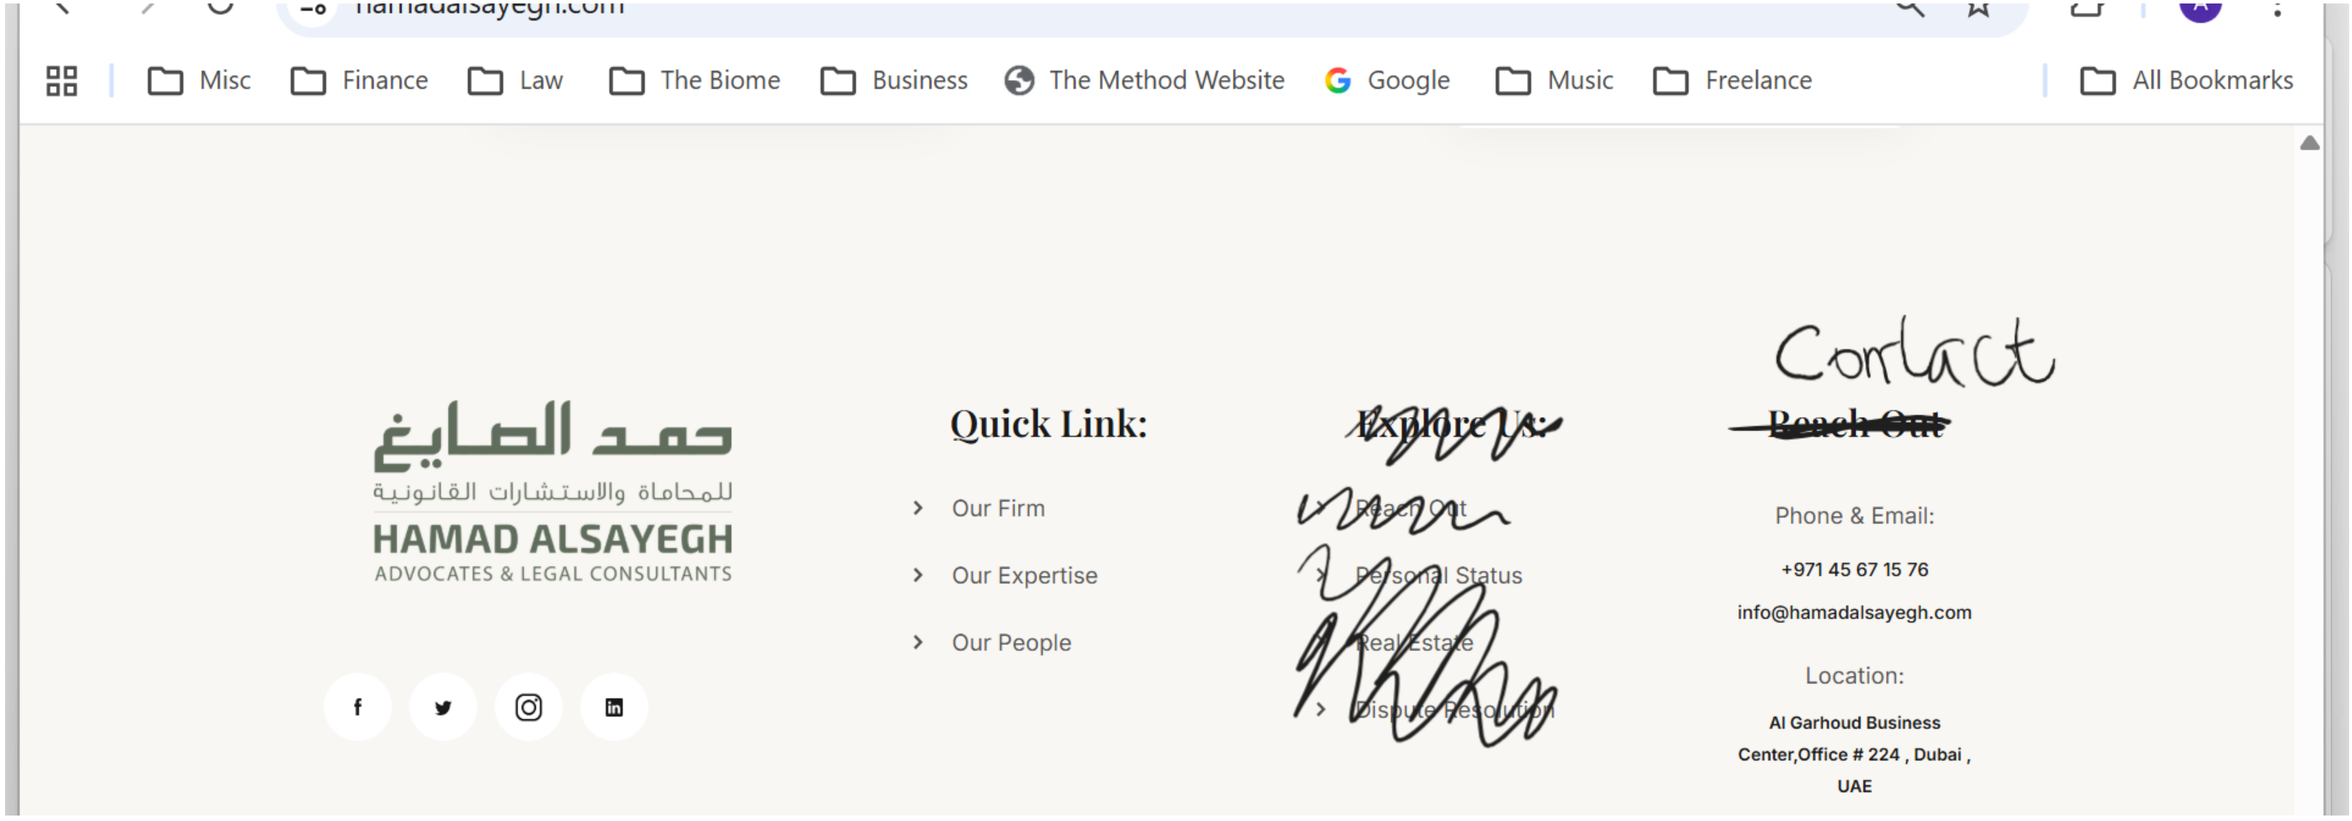

White Collar Crime - We advise corporates, financial institutions, senior executives and private clients on white collar crime matters across the UAE. Our practice includes fraud, breach of trust, cybercrime, financial misconduct, internal investigations and related criminal proceedings. We work closely with clients at every stage, from early risk assessment and internal review through to engagement with the relevant authorities and formal proceedings where required, with a focus on protecting legal position, managing risk and achieving the most effective outcome available.

Real Estate and Rental Disputes - We advise clients on real estate and rental disputes across the UAE, including disputes between developers and purchasers, compensation claims, termination for breach, rent increase disputes, lease violations, eviction proceedings and other landlord and tenant matters. Our focus is on achieving practical and effective outcomes while protecting our clients' legal and commercial interests.

Banking and Finance - We advise clients on complex bilateral and multilateral transactions, as well as banking and related commercial matters across the UAE. Our practice includes acting for domestic and international financial institutions, including banks operating in the UAE, on a wide range of advisory, transactional and dispute related matters.

Family and Private Client - We advise clients on a broad range of family and private client matters across the UAE, including marital issues, separation, divorce, child custody, wills and inheritance. Our lawyers provide clear and sensitive advice tailored to the client's circumstances, with particular regard to the applicable UAE legal framework, including the relevant personal status and civil law regimes.

Asset Protection - We advise clients on asset protection structures, including foundations, special purpose vehicles and related holding arrangements. Our work is focused on preserving wealth, managing risk and supporting succession planning through structures that are legally robust, commercially practical and aligned with the client's wider ownership and governance objectives.
