PROFESSIONAL SUMMARY

Organized and detail-oriented **Administrative and Office Support professional with 10+ years of experience** across administration, customer service, education, and business environments in the UAE and India. Experienced in managing documentation, correspondence, scheduling, records, CRM/data entry, reporting, client communication, event coordination, and day-to-day office operations. Strong ability to coordinate with clients, vendors, management, agents, and internal departments while handling multiple priorities and maintaining accuracy. Proficient in **MS Office, Excel, Word, PowerPoint, CRM systems, and administrative reporting**. Known for professionalism, reliability, strong communication, and attention to detail.

PROFESSIONAL EXPERIENCE

Uninet Education 09/2023 – Present

Recruitment Support Specialist Dubai, UAE

- Manage and coordinate 150+ applications monthly, maintaining accurate documentation, records, correspondence, and follow-up schedules.
- Handle telephone calls, emails, walk-in enquiries, and administrative requests, providing professional support to clients, students, agents, and partners.
- Maintain and update CRM databases and records, ensuring accurate information, application status, follow-ups, and documentation.
- Prepare weekly/monthly reports and performance updates, using CRM data and Excel to track activities, applications, follow-ups, and progress.
- Coordinate meetings, recruitment events, training sessions, and other office activities with agents, university representatives, and internal teams.
- Coordinate documentation and communication between clients, external partners, universities, and internal departments to ensure timely completion of tasks.
- Support document verification, submission, tracking, and visa follow-up while maintaining a 98% application approval rate.
- Manage multiple priorities, deadlines, and enquiries in a fast-paced office environment while maintaining accuracy and professional communication.

Qadri International Educational Consultancy 09/2018 – 06/2023

Education Recruitment Coordinator Dubai, UAE

- Coordinated the end-to-end student application process for international universities, including counselling, documentation, application submission, follow-up, and status tracking.
- Streamlined documentation processes for 120+ applicants per term, improving organization and reducing application delays.

- Developed and maintained relationships with education agents and university partners, supporting effective communication and recruitment collaboration.
- Planned and executed educational fairs, expos, seminars, and outreach events, attracting 500+ prospective students per event.
- Prepared recruitment reports covering application volumes, conversion rates, lead activity, KPIs, and ROI for management review.
- Coordinated invoicing and payment tracking with Finance, contributing to a 15% reduction in billing discrepancies.
